*Statement of Congressman Michael N. Castle
In Honor of
Tim Smith and Alan Cole of Delmarva Digital*

November 17, 2010

Mr. Castle. Madame Speaker, it is with great pleasure that I rise today to recognize two innovative Delaware entrepreneurs, Tim Smith and Alan Cole, of Delmarva Digital, a leading web application software company based in Laurel, Delaware and serving the Mid-Atlantic Region.

The son of a United States Air Force veteran and a public school teacher, Tim Smith is the definition of success. Tim is co-founder and Chief Executive Officer of Delmarva Digital. But Tim Smith is more than just successful in business; he is also a devoted husband and a pillar in his community, contributing his time to charitable causes including traveling to developing countries to teach aspiring entrepreneurs how to achieve their dreams.

Alan Cole is the son of a State Police officer and a professor at Delaware Technical and Community College. He is a highly decorated combat veteran having served in Operation Desert Shield and Desert Storm. As a Military Intelligence Officer with the National Security Administration, Alan held the highest security clearance that exists. Alan is a founder and Chief Technology Officer of Delmarva Digital, where he is the lead software and systems architect, network and security expert, and the manager of operations.

I am proud to join the Laurel Chamber of Commerce in recognizing exceptional Delaware entrepreneurs like Tim Smith and Alan Cole. I thank them for their hard work in business and for their dedication to their community.
